OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

Camp ~~Bangalore~~ Hole-Narsipur, 30 June 1907

From

H J BHABHA Esq

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
in the General and Revenue Departments,
Bangalore

SIR

I have the honour to inform you that the Committee for the management of the Maharani's College at a meeting held on the 22nd Instant passed the following Resolution "That Government may be asked to approve of the opening of a BA class, to be taught during the leisure hours of the pupils and teachers, with the help of the existing staff and without extra cost to Government."

2 It is proposed that the three ladies who have passed the FA Examination and who have been provided with appointments of Rs 150 a month should be taught for one Branch of the BA Degree Examination at a time It is expected that they will have an

hour or two of leisure every day during the school hours when they may be taught for the B A. Degree Examination The Lady Superintendent and one or more of the higher assistants will share the teaching There is no doubt that the extra attention paid to the B A candidates will be so much attention withdrawn from the rest of the institution. As the proposal however will not entail additional cost to Government, I recommend that it may be approved on the understanding that merely passing the B A Degree Examination will not by itself establish a claim on the part of the lady teachers to higher pay than what they get at present Hitherto the students of the Maharani's College have shown progress only under the incentives of liberal scholarships and promises of future appointments It would be a wholesome and highly desirable departure to provide for them facilities for passing the B A Degree Examination if they should love learning for its own sake and rise above the expectation of obtaining prospective pecuniary rewards I consider the present pay of Rs 150 granted to Lady Teachers who have passed the F A Examination as amply sufficient even after they pass the B A Degree Examination
